Aptron Technology

31 AUGUST
2024

The visit to Aptron Technology, Satara was an enlightening experience, giving students a deeper understanding of chipset manufacturing and the latest advancements in hardware technology. It provided valuable industry exposure, bridging the gap between theoretical learning and real-world applications.

Engineering's Day

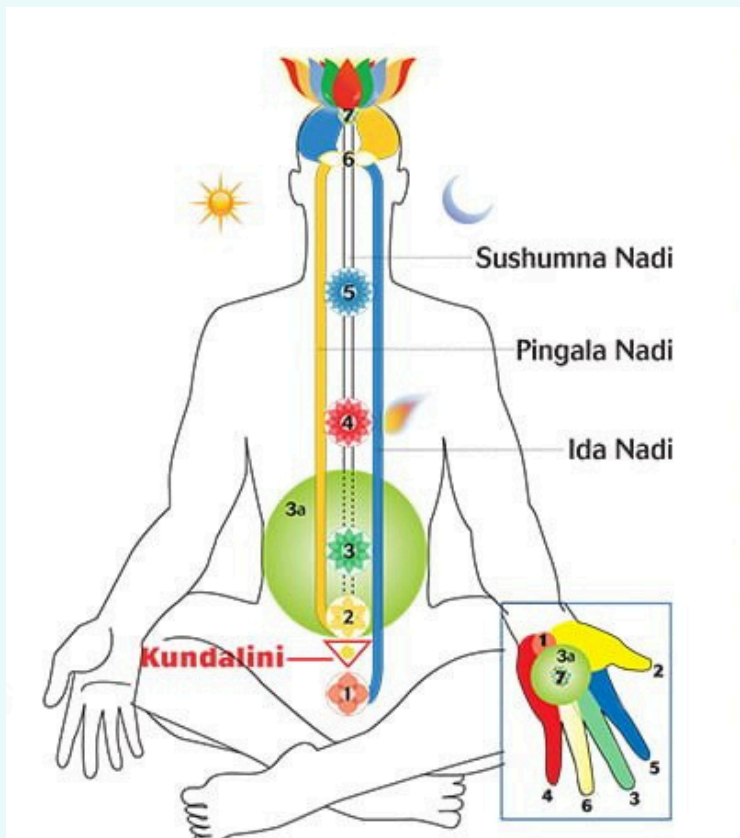

Engineer's Day was a great tribute to innovation and problem-solving. The event inspired students to embrace creativity and technical excellence in their future careers.

**15 SEPTEMBER
